## Worth Every Cent and Minute!

Tripadvisor review: Underground Railroad Walking excursion-City of Lancaster, PA USA

This was one of the best historical tours I have been on! Randy, our tour guide, was very knowledgeable and passionate about the history of Lancaster County. He gives you an experience beyond the textbooks and was very accommodating. It was worth the 1:30 drive. We will be back again after the Thaddeus Stevens museum is complete in downtown Lancaster. I highly recommend this tour if you have a desire to learn about prominent abolitionists outside of mass produced textbooks. You will not regret it!!!!Show less

Tripadvisor review: Underground Railroad Walking excursion-City of Lancaster, PA USA

One of the best tours I have ever taken. If you want an deep understanding of Lancaster's rich history take this tour. Randy is incredibly knowledgeable and willing to answer anything you can think of. Take the tour, see a bunch of incredible things and learn about some pretty amazing people.

Lastly, I would take any tour led by Randy; he's that good.

I had a wonderful time on this tour. Randy was an excellent tour guide and I learned so much about the history of the area. I would recommend the three hour tour because you get to explore more sites outside of Lancaster.
